

Quality of Life at the End-of-Life

HOW TABITHA HOSPICE CAN HELP

“As my father’s needs changed and his condition progressed, we smoothly transitioned from assisted living and memory care to hospice care, thanks to the dedicated and compassionate teams at Tabitha.”

The Tabitha Difference

MOST EXPERIENCED HOSPICE CARE PROVIDER IN NEBRASKA

Faith-based Nebraska nonprofit Tabitha is a pioneer in hospice care. As the longest-serving hospice program in the state, Tabitha has been providing end-of-life care since 1979.

EXCEPTIONAL, COMPASSIONATE CARE

Tabitha Hospice puts people first with purpose in mind, serving for all the right reasons. Our mission—to serve all members of the community regardless of their ability to pay—is rooted in all we do. We're here for you whenever, wherever and however you need.

AROUND-THE-CLOCK SUPPORT

With dedicated, on-call night and weekend caregivers, you have access to nurses who will come to you if the need arises, whenever the need arises. Our night and weekend hospice team members allow your assigned nurse case manager time to rest and refresh, enabling them to provide the best possible care to you or your loved one.

LOCAL VOLUNTEERS INVESTED IN THE COMMUNITY

Tabitha Volunteers work side-by-side with the Hospice team. They are rooted in the communities in which they serve—providing assistance through companionship, listening, respite care and help with everyday tasks.

BEREAVEMENT TEAM GUIDES YOU THROUGH YOUR GRIEF JOURNEY

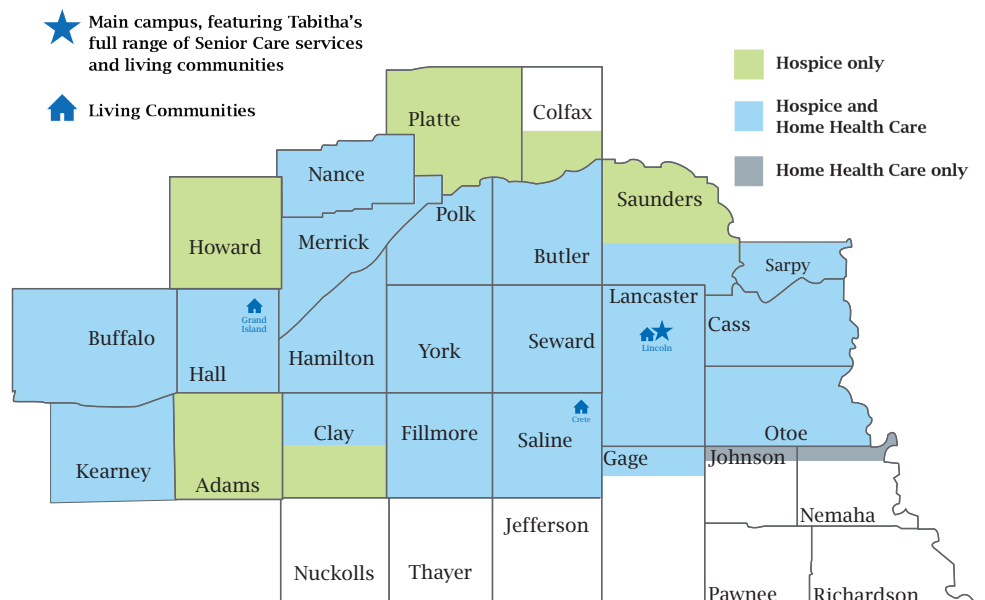

We understand loss affects each person differently. Our team of experts comfort and support you throughout the journey with personalized education, counseling and literature. Our bereavement support program is available for all loved ones for 18 months following hospice care, and is administered by coordinators dedicated to serving their individual communities.
